

GENERAL INSTRUCTIONS

- You may answer any number of questions of your choice from the provided set of questions. Each question will have a predefined score based on difficulty on solving.
- Attempt the question only once. If multiple attempts are found, the first response will be considered as final.
- Submit your answers within the allotted time. Submissions after the said time will not be evaluated. Time duration is from:

4th July 2020 7:00 pm to 4th July 8:00pm (1 hour).

- In case of any malpractices found (*such as plagiarism, sharing you code or design with peers, etc...*), the participant shall be disqualified. Remember to upload **only** the original work done by you.
- The decision made by the judging panel shall be considered as final and absolute.
